BALAMURUGAN GOPAL

Senior Technical Lead | Technical Project Manager | Program Delivery Manager | UI Architect

Bengaluru, Karnataka | +91 9980845945 | balanetmail@gmail.com | linkedin.com/in/balamurugangopal

PROFESSIONAL SUMMARY

Achievement-driven Technical Project Manager with 20 years of experience leading enterprise software delivery, Agile transformations, and cross-functional engineering teams. Proven expertise in project governance, stakeholder management, release management, risk mitigation, and program delivery. Has managed 8 concurrent projects, coordinated 18 teams, improved team productivity by 200%, and reduced delivery bottlenecks by 30%. Combines strong technical leadership in UI architecture, Angular, AWS, and cloud technologies with business-focused execution and strategic planning.

KEY ACHIEVEMENTS

- Managed 8 concurrent projects with successful delivery and stakeholder alignment.
- Led 18 cross-functional teams across multiple product initiatives.
- Reduced CI/CD failures by 90% through process improvements.
- Mentored 14+ engineers and increased team productivity by 200%.
- Reduced product development timelines by 30%.

PROFESSIONAL EXPERIENCE

Genpact Private Limited | **Senior Technical Lead / Technical Project Manager / UI Architect** *Jan 2024 – Present*

- Manage eight parallel projects end to end: planning, sprint execution, resource allocation, capacity planning, dependency management, risk mitigation, stakeholder communication, and release governance.
- Collaborate with product owners, architects, and engineering teams to drive successful project execution.
- Use AI-powered tools (ChatGPT, Jira Rovo, Microsoft Copilot) to improve documentation, communication, and delivery efficiency.
- Provide hands-on guidance in Angular, React, AWS, and UI architecture.

Operative India Private Limited | **Principal Software Engineer** *Dec 2019 – Sep 2023*

- Managed end-to-end project delivery, sprint execution, stakeholder communication, and release planning across two Scrum teams.
- Improved CI/CD processes and reduced deployment failures by 90%.
- Led architecture modernization initiatives and mentored 14 engineers.
- Contributed hands-on development in Angular, AWS, and Microservices.

Alten Calsoft Labs Pvt Ltd | **Senior Technical Lead** *Jun 2013 – Nov 2019*

- Delivered three concurrent projects with 99% on-time delivery.
- Developed and migrated an ExtJS application to Angular and managed customer-facing deliveries.

Sakhatech Information Systems Pvt Ltd | **Tech Lead** *May 2009 – Apr 2013*

- Led development and delivery of online gaming projects, ensuring high client satisfaction.

Flip Design Pvt Ltd | **Senior Web Developer** *Aug 2006 – Apr 2009*

- Delivered end-to-end web application development and significantly improved productivity.
- Developed and maintained Flash-based games for web and mobile platforms.

CORE SKILLS & TECHNICAL LEADERSHIP

Management: Project Management, Agile & Scrum, Stakeholder Management, Delivery Management, Risk Management, Program Governance, Team Leadership

Technical Leadership: UI Architecture, Enterprise Application Design, Solution Architecture, Cloud Deployment, CI/CD, Engineering Mentorship, Technical Estimation, Product Development

Technical Stack: Angular 7/9/11/17, React 18, TypeScript, JavaScript, HTML5/CSS3, Node.js, AWS, Microservices, Jenkins, Git

Methodologies: Agile, Scrum, Waterfall, SDLC, DevOps

Tools: Jira, Confluence, ChatGPT, Jira Rovo, Microsoft Copilot for Outlook

CERTIFICATIONS & EDUCATION

Certifications: Certified Scrum Master (CSM); Project Management Certification

Education: MCA – SVN College, Madurai; B.Sc. Computer Science – Kamaraj College, Thoothukudi; DNIIT
