linkedin.com/in/balamurugangopal
Bengaluru, Karnataka

Technology delivery leader with **20 years** of experience spanning front-end engineering, UI architecture and technical project delivery. Targeting senior Technical Project Manager / Delivery Manager roles in SDLC governance, Agile delivery, stakeholder management and AI-enabled application delivery.

KEY HIGHLIGHTS

12 concurrent projects managed	**~35** people across 3–4 teams	**90%** fewer CI/CD & deploy failures	**99%** on-time delivery (3 projects)	**50%** less routine PM effort via AI

CORE COMPETENCIES & TECHNICAL SKILLS

- **Delivery:** Technical Project & Portfolio Management, SDLC Governance, Agile/Scrum & Sprint Management, Release & Change Management, Risk Mitigation, Estimation & Scheduling, Requirements & Scope Management
- **Leadership:** Stakeholder & Escalation Management, Cross-Functional Coordination (18 teams), Mentoring (14+ engineers), Decision-Making, Conflict Resolution & Negotiation
- **Methodologies & Tools:** Agile, Scrum, Waterfall · Jira, Confluence
- **Front-End:** Angular 7/9/11/17, React 18, JavaScript, TypeScript, HTML5, CSS3
- **Architecture:** UI Architecture, Solution Architecture, Enterprise Application Design
- **Backend, Cloud & DevOps:** Node.js, AWS, AWS Bedrock, Microservices, CI/CD, Jenkins, Git
- **AI Tools:** Claude, ChatGPT, Jira Rovo, Microsoft Copilot for Outlook

PROFESSIONAL EXPERIENCE

Genpact Private Limited | Senior Technical Lead / UI Architect / Technical Project Manager — *Jan 2024 – Present*

- **Delivery Management:** Managing **12 concurrent projects** and **3–4 cross-functional teams (~35 people)**, owning sprint execution, capacity planning, dependency tracking, risk mitigation and release governance.
- **AI Project Delivery:** Managing an AI-enabled application built on **AWS Bedrock**, coordinating planning, dependencies, risks, stakeholder communication and delivery milestones.
- **AI-Driven Productivity:** Using Claude, ChatGPT, Jira Rovo and Microsoft Copilot for reporting, documentation, Jira updates and communications, cutting personal effort on routine PM activities by an estimated **50%**.
- **Technical & Stakeholder Leadership:** Translating business requirements into technical deliverables and roadmaps with product owners and architects; guiding Angular/React UI architecture; driving escalations and clear ownership.
- **Technical POC:** Led a ground-up unit-testing POC — tool evaluation, environment setup, integration and initial use cases — before handing further development to junior engineers.

Operative India Private Limited | Principal Software Engineer — *Dec 2019 – Sep 2023*

- **CI/CD Optimization:** Re-engineered pipelines and deployment processes, reducing integration and deployment failures by **90%**.
- **Agile Delivery:** Managed end-to-end delivery across **2 Scrum teams** — sprint execution, release planning, risk tracking and stakeholder communication.
- **Leadership & Engineering:** Led application modernization while mentoring **14 engineers**; built Angular front-ends and contributed to AWS-based microservices.

Alten Calsoft Labs Pvt. Ltd. | Senior Technical Lead — *Jun 2013 – Nov 2019*

- **Multi-Project Delivery:** Managed **3 concurrent projects** with **99% on-time delivery** through proactive planning and dependency management.
- **Application Modernization:** Led migration of a legacy ExtJS application to a component-based Angular architecture; directed customer-facing deliveries.

Sakhatech Information Systems Pvt. Ltd. | Technical Lead — *May 2009 – Apr 2013*

- Led technical development and delivery of Massive Multiplayer Online Games (MMOGs), coordinating teams, deliverables and client expectations.

Flip Design Pvt. Ltd. | Senior Web Developer — *Aug 2006 – Apr 2009*

- Developed web applications and Flash-based games for web and mobile platforms; improved development workflows for timely delivery.

EDUCATION & CERTIFICATIONS

- **Master of Computer Applications (MCA)** – SVN College, Madurai
- **B.Sc. in Computer Science** – Kamaraj College, Thoothukudi
- **Certified ScrumMaster (CSM)**
- **DNIIT** – NIIT
